

**STEAM POWERED KIDS HOSTED:**

# **DIGITAL BLING PARTY**

**Design your own electronic jewellery!**

Our hosted Digital bling parties cater for children interested in fashion and technology. We explore basic circuit theory and linear electronic components. Children get the opportunity to be creative, learn and have a lot of fun!

1hr of hands-on fun

**IDENTIFY ELECTRONIC COMPONENTS  
DESIGN AND BUILD YOUR OWN JEWELLRY**

\*\*All party hosts have blue cards and relevant working with children checks
